SPONSORING ORGANIZATIONS

The Oxford Symposium in School-Based Family Counseling is sponsored by the Institute for School-Based Family Counseling and co-sponsored by the Western Institute for Social Research Center for Child and Family Development.

The Institute for School-Based Family Counseling exists to promote the development of School-Based Family Counseling as a discipline through multiculturally sensitive programs that educate mental health professionals, educators and the general public on the nature and value of School Based-Family Counseling.

The Center for Child and Family Development is committed to the academic, psychological, social and spiritual development of children and families through teaching, research and direct service programs in School-Based Family Counseling; the purpose of the Center is to provide children and families (particularly under-served children and families) with a variety of culturally sensitive family counseling services.
